

CONTRA COSTA BALLET

RAISING THE BARRE FOR OVER 50 YEARS

Children's Division Summer Program

June 29th - July 24th, 2020

The Contra Costa Ballet Centre's program serves the development of its students from their first encounter with music and movement to their emergence as young dancers. The curriculum is carefully designed to introduce the correct technique and instruction at the appropriate age and physical development of the student. While many students may go on to pursue professional careers, the focus of training is on the excellence and joy of dance at each level of achievement. We hope you will share our enthusiasm for the benefits that ballet and its interrelationship with the other arts will provide for your child.
